

## **STERLING PRECISION PROFESSIONAL GUIDE/OUTFITTER PROGRAM**

Thank you for your interest and consideration in Sterling Precision as a strategic part of your business. The Sterling Precision Outfitter Program allows industry professionals to introduce their clients to exceptional precision rifles to enhance their hunting and sporting experience while providing attractive incentives to the outfitter. Upon approval, licensed guides and outfitters may purchase Sterling Precision products at preferred pricing for professional use. Due to the large amount of requests, each application is carefully reviewed. Please note, we cannot approve every request.

**Please provide Sterling Precision with a copy of your current guide or outfitter license (or business license for states with no certification in place) or the license for which you operate under.**
